Carol

I just got off the phone with the girls and the zoom recording is being prepared. You may be disturbed to hear that they are thinking of "running to the police" because their father has been yelling at them so viciously. You may also want to listen to the part of the audio in which they talk about "daddy's girlfriend" Chloe Valentine Merrill Something or Other texting Allan "love texts" and how he used the "eff word" and then hung up on her (?).

There is also a part in the video where Ally holds up a sign and asks if she can go to the police tonight or tomorrow, or go to my friend Arikha's house, in order to get away from Allan.

I will send this video to you and to my lawyers. You are simply not doing your job and taking the domestic violence against my daughters seriously. I hope your conscience is ok with that. And I also hope your conscience is ok that your clients' mother sits homeless while they want more time with me. JoJo has been crying herself to sleep at night for the last 5 nights I haven't been there.

I am dismayed and disgusted by your lack of concern for my girls. There is documented abuse in this case and you simply ignore it.

And, Carol, I don't know whether this bothers you or not, but Allan refused to allow me to speak with JoJo last night. It took several calls and a text before he finally agreed.

They have been recorded. The first by Allan I believe which was FaceTime and the others were Zoom which my client recorded. Sometimes the Zoom connection was lost (has been happening a lot to me) so she would call back and continue to record. It may not be perfect but she is certainly doing everything to comply with the terms of that Order while it is in effect.

Jill: I understand your client has been facetimeing and also having a Zoom call with the children. Are they being recorded? Please confirm that they are. Otherwise I will ask Gus to arrange that the only way Catherine can talk with the children is on a recorded facetime.
