## Getting a yoga degree + helping others

To those who are asking, I got my RCYT degree from ShareLove.Fund!

Why I keep on enrolling from them:

1. Course is on-demand
2. Course has so many resources
3. Course is Yoga Alliance Accredited
4. Course proceeds goes to helping incarcerated women at Rikers

It's really worth checking them out!

Hi! I have been checking their website, but I cannot seem to find how their certificates are YA accredited if everything is online, bcs YA requires in person practicum. How do they do that? Thanks!
