Ring tone

Dispatcher: 911, what's the location of your emergency?

Angst: Ah - 140 Hommocks Road in Larchmont, New York? The Hommocks Ice Rink.

Dispatcher: Ice rink - what's going on there?

Angst: Um, I just wonder if I can get the police down here. I have a – apparently – a divorced couple when they're fighting over their daughter. And someone says there is a restraining order. And they're arguing in the facility and it's getting pretty nasty. I ... I... we don't want to get involved. They said there is a restraining order. Just if someone could come down.

Dispatcher: Ah, where exactly in the ice rink?

Angst: They're inside. They're on the ice during the public session.

Dispatcher: On the ice, public session?

Angst: Yeah

Dispatcher: Okay

Angst: I'm the manager. I guess, you know, they can come up; I'll speak to the cop and all that.

Dispatcher: Okay. I'll dispatch officers, alright?

Angst: I appreciate it. Thank you very much

Dispatcher: Thanks. Just verbal right now, right?
